

Advance directives seminar

An advance directive is a legal written statement. It includes your wishes about your future health care decisions. It identifies someone you trust to make health choices for you. This is in case you can't make the choices yourself.

Please join Optum Palliative Care for a no-cost presentation:
“Make Sure Your Wishes Are Granted – Planning Ahead”

During this presentation you'll:

- Go over the benefits of planning ahead
- Talk about end-of-life decisions
- Get help comparing and notarizing your advance directive

Call **1-702-797-2353**, TTY **711**, to sign up for a club activity on the same day as the presentation.
